## WORK EXPERIENCE

### Self-initiated Projects

Remote

Open Source Contributor

Dec 2023 - Present

- Contributed to various open-source projects, enhancing features and functionalities.
- Fostered a supportive environment for collaboration by engaging with community members.
- Developed skills in version control using Git and project management through GitHub.
- Passionate about problem-solving, optimizing code, and exploring new front-end technologies.

## EDUCATION

### Vardhaman College of Engineering

Hyderabad

Bachelor of Technology in Computer Science and Engineering

Graduation Date: Aug 2027

## PROJECT EXPERIENCE

### AI-Powered Personal Productivity Dashboard with Smart Assistant

Developer

Jan 2025 - Present

- Developed an AI-driven personal productivity dashboard integrating task automation, workflow optimization, and voice interactions, resulting in a more efficient and user-friendly task management experience.
- Streamlined task management, habit tracking, and real-time updates utilizing React, JavaScript, HTML, CSS, and various APIs.

### Student Community Forum Website

Developer

Jul 2024 - Nov 2024

- Designed and developed a web-based forum to facilitate student collaboration and knowledge sharing.
- Implemented features such as user authentication, threaded discussions, and search functionality using HTML, CSS, and JavaScript.

## SKILLS & INTERESTS

**Interests:** Actively participating in coding challenges on platforms like LeetCode.

**Skills:** Problem Solving: Enthusiastic about optimizing code and exploring innovative solutions through problem-solving challenges and experimentation with new front-end technologies.
